COMPANY PROFILE

GARDENS NEED PVT. LTD.

50 Years of Growing Green | India's No. 1 Planter Company

For five decades, **Gardens Need Pvt. Ltd.** has been at the forefront of India's gardening and planter industry, combining manufacturing expertise, innovative design and a deep understanding of evolving gardening needs. Established in **1976 in New Delhi**, Gardens Need has grown into a trusted Indian manufacturer and exporter of high-quality planters and gardening solutions, serving homes, nurseries, retailers, distributors, online platforms and international customers.

As we celebrate our **50 Years Golden Jubilee**, our journey reflects a legacy built on quality, **reliability, innovation and enduring relationships**. With a strong focus on design-led products, durability and functionality, Gardens Need continues to create solutions that enhance modern homes, workplaces, gardens and urban green spaces.

Our manufacturing strength is powered by advanced **Injection Moulding, Blow Moulding and Rotational Moulding** capabilities, supported by an experienced in-house design, product development and quality-control team. With a manufacturing infrastructure of over **2,50,000 sq. ft.**, a production capacity of approximately **1.5 million pieces per month**, and a strong nationwide Distribution network, we are equipped to deliver quality and scale consistently.

Sustainability is an integral part of our growth journey. We actively use recycled materials, solar energy and responsible manufacturing practices, with **over 1 million kg of plastic recycled every year**.

Today, Gardens Need reaches **100+ cities, 350 districts and 5,000+ retail outlets**, supported by a network of 100 distributors and partnerships with leading retail and e-commerce platforms.

From a trusted Indian manufacturer to India's No. 1 Planter Company, Gardens Need continues to grow with one purpose – making every space greener, better and more beautiful.
